Subject: Marlboro Music Program 2000 Compilation CD
Importance: High

Hi All,

I would like to schedule a meeting for the above-referenced topic on Monday, Sept. 27th for half an hour. It is imperative that all of the appropriate parties involved in this program are present to discuss what we want to do for this CD program. Input from everyone is essential to start this project moving and provide me with some direction.

Please get back to me with your availability ASAP. Sorry for the short notice...especially regarding the Marketing Conference next week.

Thanks, Michelle
